REVENUE SECRETARIAT

Orders the correction of Boundaries of the Maps of Kohally and Ayanur Villages by the inclusion of the abandoned course of the halla within the boundary of Yelavalli Village, Shimoga Taluk.

READ—

Letter No. C4. 1634—51-52, dated the 1st December 1951, from the Revenue Commissioner in Mysore, requesting sanction to correct the boundaries of the Maps of Kohally and Ayanur Villages, Shimoga Taluk, by including the halla on the boundary between the Yelavalli, Kohally and Ayanur within the limits of the Yelavalli Village.

2. Letter No. S.D.S. 14—51-52, dated the 14th March 1952, from the Superintendent of Land Records, furnishing two sketches in the matter.

ORDER NO. R. 1868-71—L.S. 130-51-4, DATED BANGALORE, THE 19TH MAY 1952.

An extent of 30 guntas in the halla kharab adjacent to Survey Nos. 60 and 61 of Yelavalli Village is reported to have been appropriated for wet cultivation. Subsequently, 24 guntas of the halla kharab were added to Survey No. 60 of Yelavalli and the remaining 6 guntas to Survey No. 61 of the same village. According to Survey Records, the halla in question constituted the boundary between Yelavalli and Kohally and Ayanur Villages. As per revenue accounts, half the extent of these portions of hallas belongs to Kohally, Ayanur and Yelavalli Villages, and as a result, the alluvial land owing to the change in the course of the halla now within the boundary of Yelavalli, will have to be added on *pro rata* to the respective villages. At present, the halla has been granted to one person, *i.e.*, the owner of Survey No. 60 of Yelavalli.

The addition of portions of the halla to the respective villages will result in the fragmentation of the entire extent and its constitution into separate survey numbers which hamper agricultural operations. It will also necessitate the cancellation of the sanction of the land.

This can be avoided if the bits are added on to Yelavalli Village.

In the circumstances, the Revenue Commissioner has proposed that the abandoned course of the halla may be included within the boundary of Yelavalli Village and to correct the boundaries of the Maps of Kohally and Ayanur accordingly.

The proposal of the Revenue Commissioner is sanctioned.

Secretary to Government,
